

Community Involvement and Donations

Here at Zoom, we feel that inspiring others to shine extends beyond the car wash tunnel. This inspiration extends into our communities through the various programs that we participate in. We believe that part of being a conscious neighbor is to look for ways to improve and provide a brighter future for everyone.

Please submit this form at least 30 days prior to your event. While we do our best to fulfill as many requests as possible, your submission does not guarantee a donation will be supplied. If approved, you will be contacted to arrange the pick-up of your donation request.

****Please note that we will donate to your cause once per year****
